Getting started with the freelancer portal

For everyone who works with Ooosh

The portal is where your Ooosh work lives: your jobs, where to go and who to call, finishing each job off, and what you've earned.

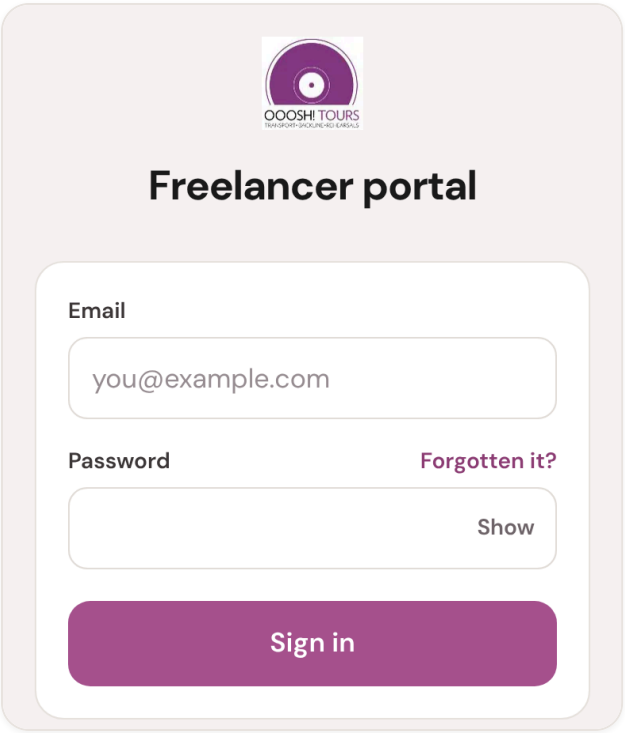

freelancer.oooshtours.co.uk is the only site you need. It works best on your phone.

Add it to your home screen so it opens like an app.
iPhone: tap Share, then **Add to Home Screen**.
Android: tap the menu, then **Add to Home screen**.

Five things to remember

1. Read the **key notes** on every job, the day before and again on the day.
2. Finish every job off **in the portal, on the day**. If you don't, we send reminders.
3. Can't make a job? **Call the office straight away** on 01273 911382.
4. Put our **job reference** (the HH number) on your invoice, and email it as a PDF to whoever booked you.
5. Wondering about a payment? Check **Earnings** first.

1 Sign in

First time? Tap **Create an account** at the bottom of the page and use the email address you gave us. We email you a 6-digit code, then you choose a password (8 characters or more).

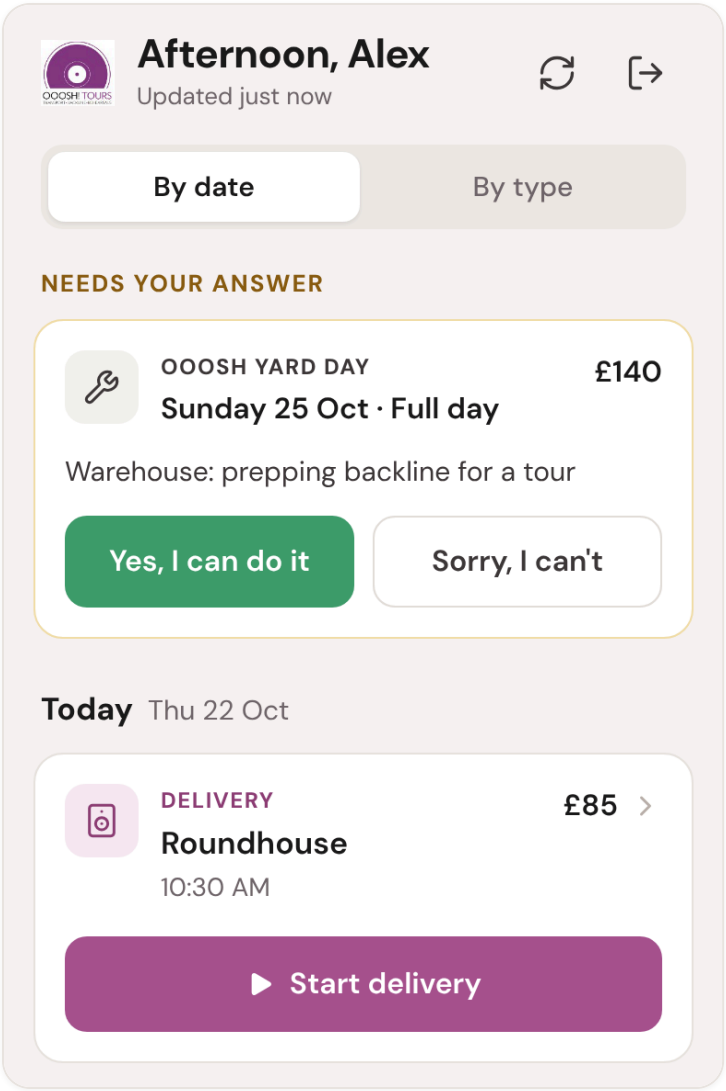

The code only comes once we've approved you to work with us. No code after a few minutes? Check your junk folder, then ask whoever booked you.

Forgotten your password? Tap **Forgotten it?** and we'll email you a link to set a new one.

If we ever email you a sign-in code, type it in. Leave **Remember this phone** ticked on your own phone and it won't ask again there for 90 days.

2 Your jobs

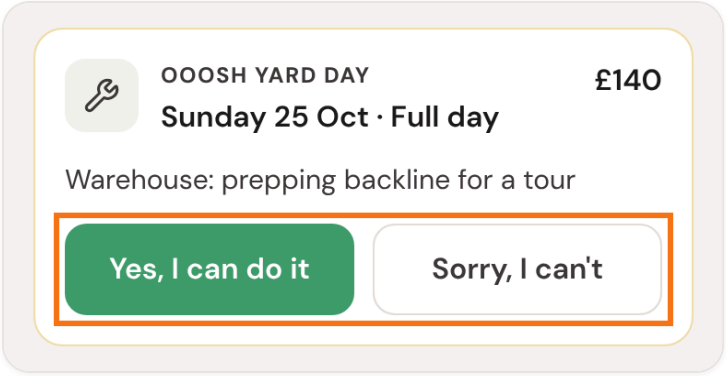

Signing in opens your jobs. Today's work is at the top, with its fee on the right.

- **Today**, **Tomorrow**, **Later** (the next 30 days) and **Earlier** (the last few days). Tap **By type** to see them grouped by kind of work instead.
- Tap a job to open it.
- Tap **Refresh** (top right) to check for changes.

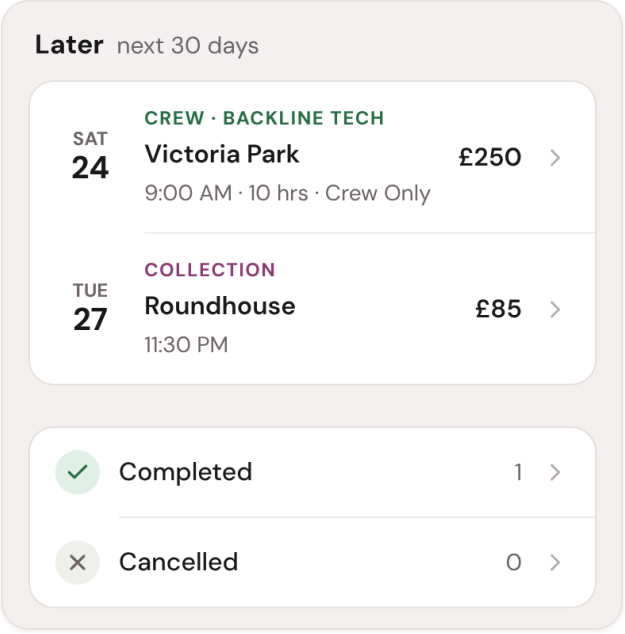

3 Offers, and the rest of your list

We offer **yard days** in the portal. They sit at the top under **Needs your answer** until you reply.

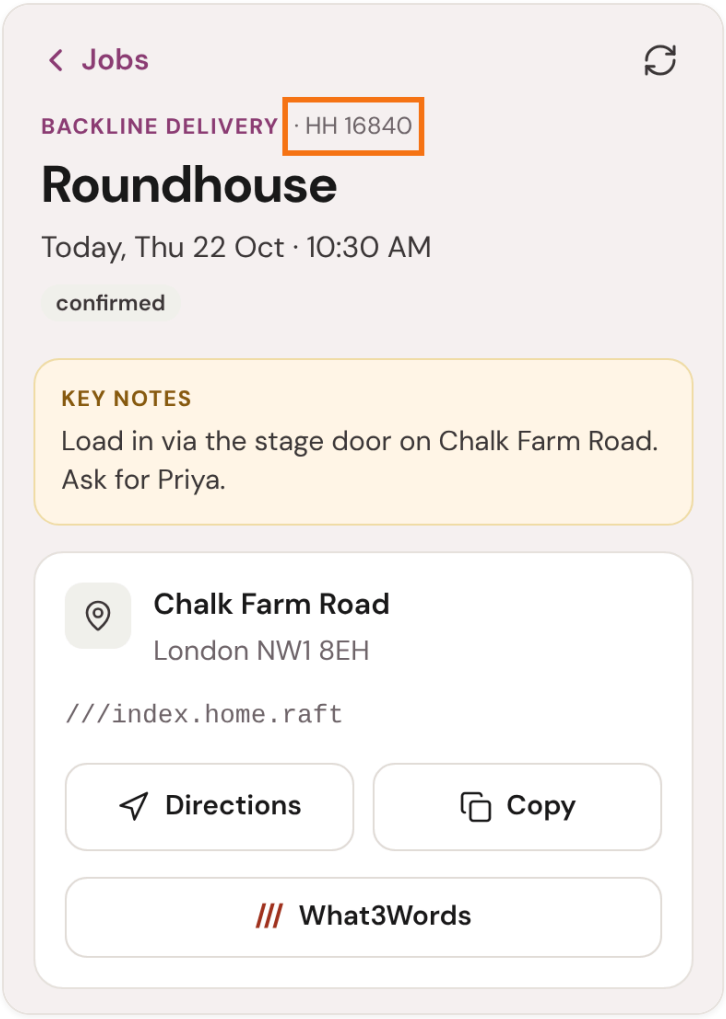

Other jobs are booked by the office, so there's nothing to accept. If you can't do one, **call the office straight away**. Please don't just leave it.

At the bottom of your list, **Completed** and **Cancelled** show your recent past work.

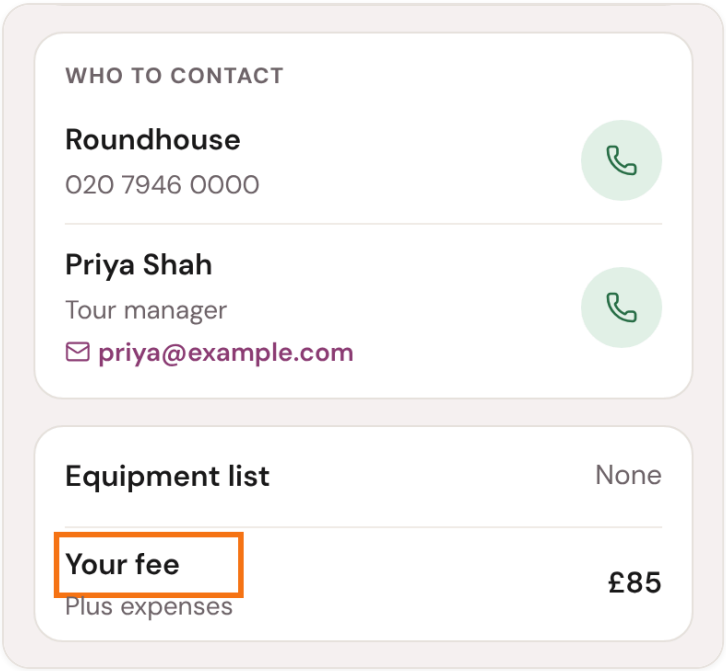

4 A job's page

- **HH 16840** is our **job reference**. Put it on your invoice.
- **Key notes** are what we need you to know for this job. They can change, so read them the day before and again on the day.
- **Directions** opens your maps app; **Copy** copies the address; **What3Words** pins the exact spot.

5 Who to call, and your fee

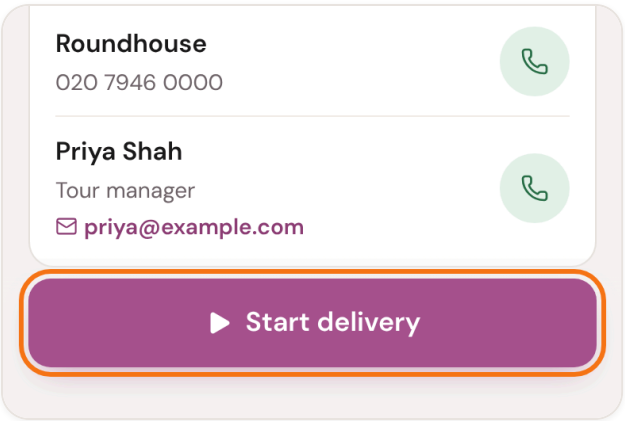

- **Who to contact**: the venue and the people on the job. Tap the green button to call. A venue's number shows from 48 hours before the job.
- **Equipment list**: tap it to see what's going.
- **Your fee** is what we've agreed to pay you, plus any agreed expenses. If it looks wrong, ask whoever booked you **before** you invoice.

Further down are the venue's access info and any files for the job.

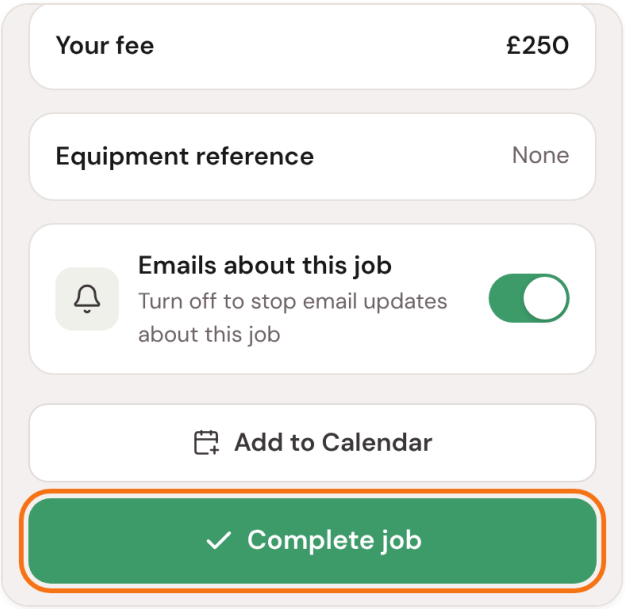

6 Doing the job

Deliveries and collections: when you get there, tap **Start delivery** (or **Start collection**) at the bottom of the job. It asks what you're handing over and takes you through it step by step.

Resources has a step-by-step guide for vans and for backline.

Crew jobs: tap **Complete job** at the end. It appears on the job's last day.

7 Finish it on the day

Finishing a job off in the portal tells us it's done, sends the customer their paperwork, and lets us invoice them. Please do it on the day, before you leave.

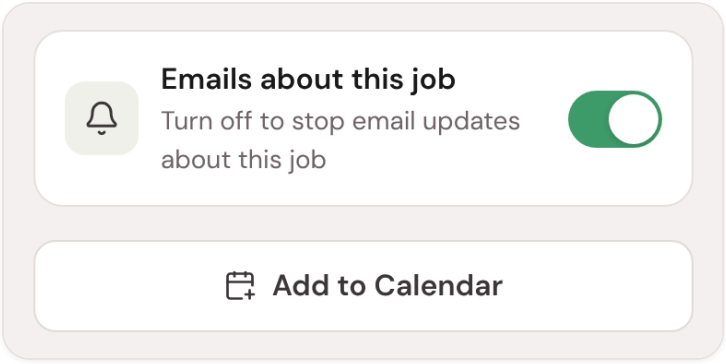

If a job isn't finished off, we email you a reminder a couple of hours after it was due, and again later that day. The third reminder goes to the office too. Crew jobs are chased from the morning after their last day.

We only send reminders between 7am and 10pm.

No signal at the venue? Finish it off as soon as you have some, the same day.

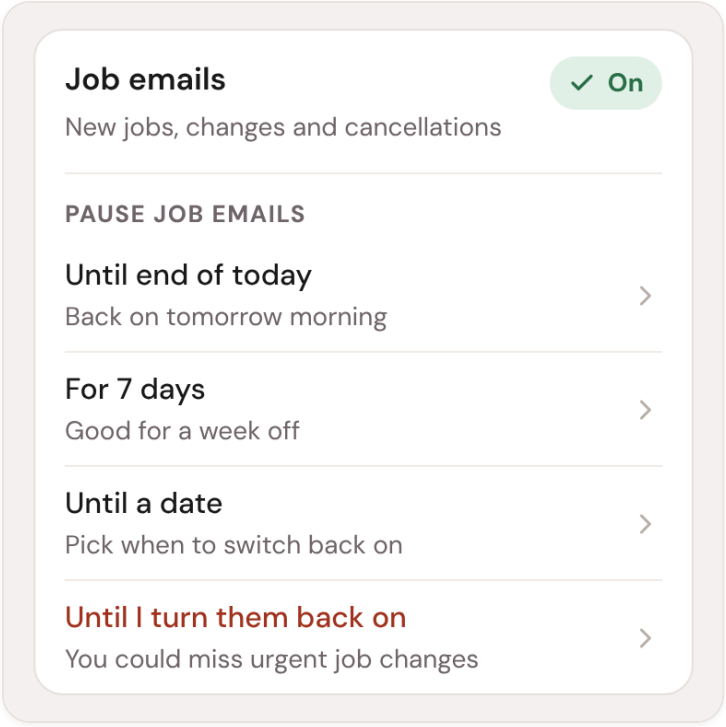

8 Emails from us

We email you when you get a new job, when one changes and when one is cancelled. To stop emails about one job, use the switch on its page.

To pause them all, for a holiday say, go to **Settings** (next page).

Pausing job emails

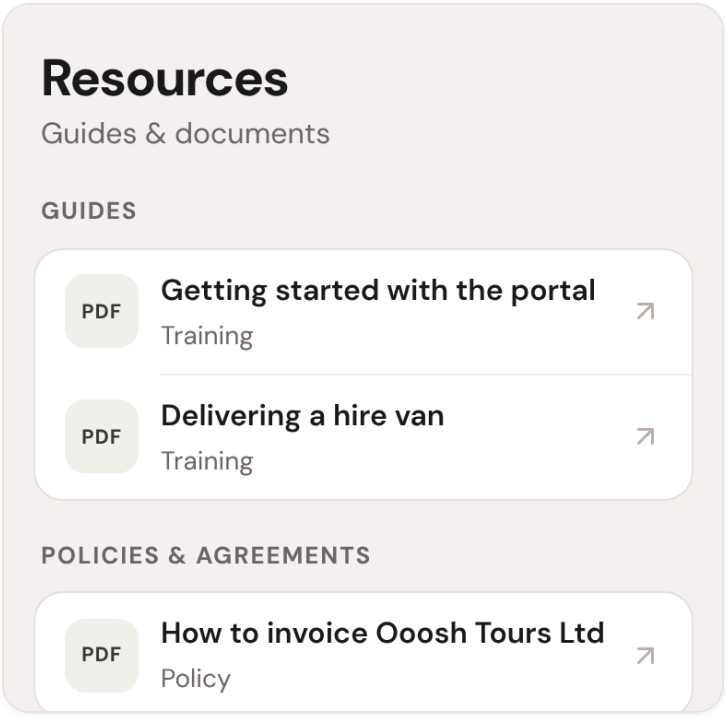

Pausing stops emails about new jobs and changes. While they're paused, a banner at the top of the portal says so, with a **Resume** button.

These still reach you while paused, because you need them:

- a job being cancelled;
- reminders to finish a job off;
- yard-day offers and changes to them;
- sign-in codes and password emails.

9 Resources

Tap **Resources** at the bottom of the screen for our guides, policies and agreements, including **How to invoice Ooosh Tours Ltd**.

Tap one to open it. Guides open in a new tab, so you can come back to the portal.

10 Getting paid: your invoice

Email your invoice **as a PDF** to **whoever booked you**. We can't take posted, printed or other file types.

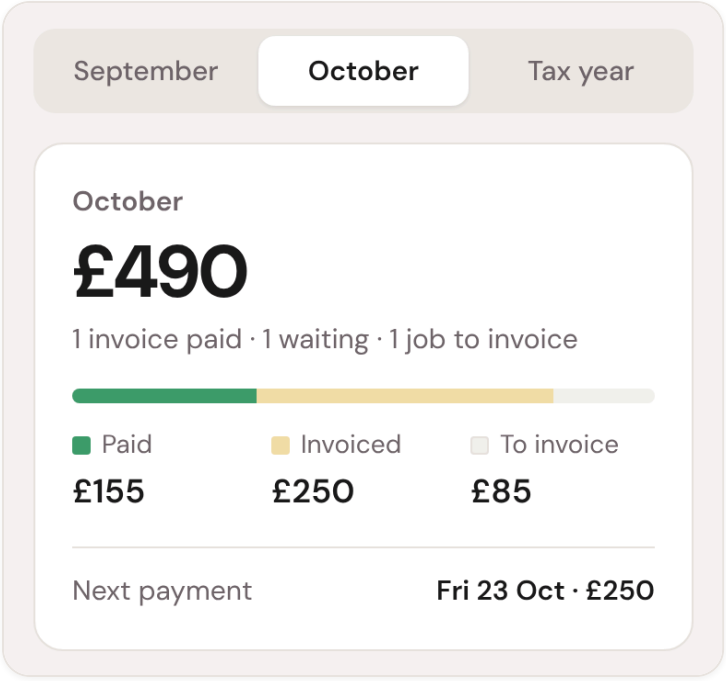

It must have:

- the word "invoice", a date and your own invoice number;
- your name, address and contact details, and an email address for the remittance;
- our name and address (it's on the How to invoice guide);
- **our job reference**: the HH number on the job's page;
- what you did and when, with any expenses and their receipts;
- the amounts and the total;
- your bank name, account number, sort code and account name;
- your VAT number, company number or UTR, if you have one.

The full list is in **How to invoice Ooosh Tours Ltd** in Resources. An invoice that's missing something comes back to you, which delays your payment.

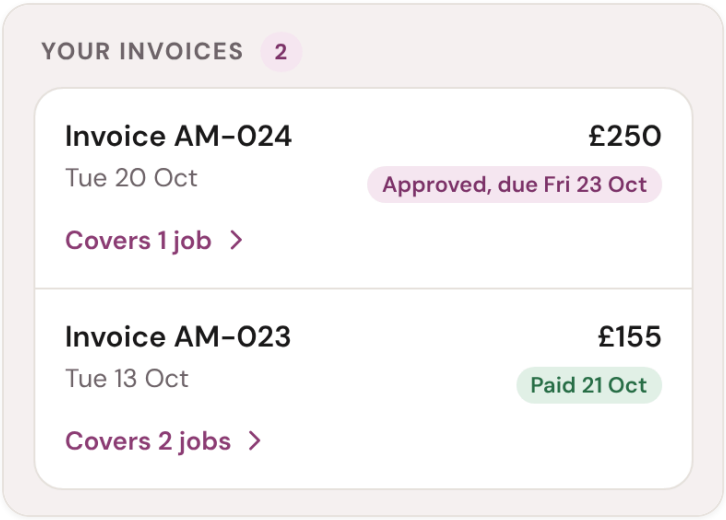

11 Getting paid: Earnings

Tap **Earnings** to see your invoices, where each one has got to, and when your next payment is due.

- **Paid**: paid to you in that month.
- **Invoiced**: invoices sent that month that we haven't paid yet.
- **To invoice**: work you've done that isn't on an invoice yet.

Where your invoice has got to

Received	We have it and haven't checked it yet.
Queried	We have a question. It's shown under the invoice: reply to whoever booked you.
Approved, due Fri 23 Oct	All fine. We'll pay it on that Friday.
Paying Fri 23 Oct	The payment is booked for that day.
Paid 21 Oct	The money left us that day.

Tap **Covers 2 jobs** to see the work an invoice is for.

When you'll be paid

We pay on the **first Friday one week after we approve your invoice**, so usually 8 to 14 days after approval, by bank transfer. Bank holidays can add a day or two.

Please check Earnings before chasing a payment. If an invoice still isn't paid 30 days after you sent it, email **accounts@oooshtours.co.uk**.

Changed your bank details? Say so on your invoice **and** in your email. We may call you to check, to keep your money safe.

Some older work shows no To invoice or Invoiced label: we started matching invoices to jobs in October 2026.

? If something's not right

I can't sign in.

Tap **Forgotten it?** to set a new password. Still stuck? Call the office on 01273 911382.

A job is missing, or looks wrong.

Tap **Refresh**. If it's still wrong, call whoever booked you or the office.

I can't do a job any more.

Call the office straight away. The sooner we know, the easier it is to cover.

My fee looks wrong.

Ask whoever booked you before you invoice.

Where's my payment?

Check **Earnings**. Still unpaid 30 days after you sent the invoice? Email accounts@oooshtours.co.uk.

My name, email or phone number has changed.

Let us know and we'll update it. You can't change them in the portal yourself.
